Please specify:

Have any pretreatments with chemistry or self-cleaning been performed?	No <input type="checkbox"/>	Yes <input type="checkbox"/>	with:
Previous damages such as Turbocharger, injectors, etc	No <input type="checkbox"/>	Yes <input type="checkbox"/>	which:
External catalyst installed?	No <input type="checkbox"/>	Yes <input type="checkbox"/>	Clean? Yes <input type="checkbox"/> Nein <input type="checkbox"/>

Cleaning price 390,00 Euro per car filter

- ✘ including VAT
- ✘ including standard return
- ✘ including parcel insurance

Additional options (VAT included)

- + 70,00 Euro = Express return shipping with next business day delivery (Mon.-Fri.)
- + 35,00 Euro = Package note from Ups - with self-delivery to a UPS Access Point
- + 30,00 Euro = Cash on Delivery - Payment of the bill in cash on return!
- + 50,00 Euro = Cleaning external catalyst (per cat)
- + 17,50 Euro = Additional costs for welding
- + 17,50 Euro = Additional costs for thread repair per thread

The prerequisite for successful cleaning is that the filter is technically sound, i. the filter ceramic must not be broken or cracked.

All pressure and temperature sensors and attachments (hoses, clamps, holders) must be removed. We assume no liability for not dismantled attachments or no warranty

Functionality of sensors dismantled by us, etc.! Likewise, we can not assume any liability / warranty for chemically pretreated filters, since a check of the filter ceramic inside the filter is not possible!

After receiving and checking the filter, we will send you the payment information by e-mail. Cleaned filters will be shipped only after receipt of payment!

The general terms and conditions of Barten GmbH (www.russfilterreinigung.de/AGB.pdf) are recognized!
